

## My College Collage

### **Materials Needed:**

- Scissors
- Tape or glue
- Magazines, photos or computer printouts
- Optional: Computer

### **Instructions:**

Ask students to create a collage, either using paper or a computer program, to represent their dreams and plans for college and a career. The collage should include all of the following:

- Colleges they'd like to go to.
- Careers they're considering.
- A challenge they think they'll face.
- A person or people who can help or support them.
- Something that inspires them to succeed.
- An outcome or reward they expect to achieve as a result of completing their goal.
