

# College Road Map

**KENTUCKY**  
goes to college

To reach your dream of going to college, you need a plan!

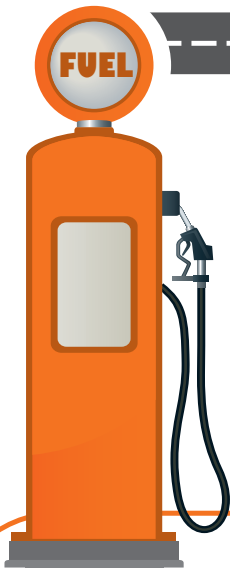

Think about challenges you face and how you will get past them.

And don't forget — your family, teachers and friends can help you along the way!

As you get older, keep on track for college by using your ILP.

How can college help you reach your dreams?

Can you name a challenge you might come across?

Can you think of 3 people who can help you keep going to meet your goal?

- 1.
- 2.
- 3.
